

Thinking Matters

growing effective learners

Thinking Schools Network

Become a member today and enjoy
the growing number of benefits.

The Thinking Schools Network (TSN) is a member driven organisation. Along with networking opportunities, members gain regular access to a Thinking Matters Consultant as well as to a wealth of classroom materials, thinking resources and discounts on the services of a range of cognitive education orientated organisations.

Membership Benefits...

Cognitive Classroom Resources

Subject specific classroom thinking, learning and metacognitive materials for both primary and secondary aged students: lesson plans, unit examples, classroom rewards, displays and more.

Annual Consultancy (worth £350)

School leaders receive a half day of their Thinking Matters Consultant's time, to review where the organisation is in their Thinking School journey and explore how to continue progressing.

Discounts on Thinking Matters Services (typically worth £450):

- Thinking Schools Conferences
- Deep Dive CPD
- Motivation Matters Consultancy
- Staff Thinking School Induction CPD

Significant Discounts on Exceptional Thinking & Learning Products from:

- Schools Week
- Nisai Learning Academy
- Structural Learning
- Dialogue Works
- BeReady: Work Ready Schools
- Thrill Education

Regular Events & Bulletins

Regional and national 'ThinkMeets' offering the latest insights into cognitive science and the opportunity to share ideas with fellow Thinking Schools practitioners. These are supported by resources & best practice ideas from other Thinking Schools in regular bulletins.

Thinking Library

An extensive library with filtered research papers on metacognition, cognitive development and neuro-science and as well as links to media comments on these areas.

Cost*: £2.50 per pupil on roll. Minimum fee £400 and maximum £2,500 per school. MAT, school groups and non-UK based schools are by negotiation.
