

# Thinking Matters

growing effective learners

New Staff

# Induction Programme

This online course is aimed at teachers who are joining a Thinking School and who are unfamiliar with a whole school approach to the teaching of thinking.

It is relevant to teachers of all levels of previous teaching experience.

### Our course content explores:

- ✓ What is a Thinking School?
- ✓ The Thinking School student
- ✓ The Big Picture - Drawing together a whole school approach to thinking & learning
- ✓ Promoting & supporting student centred learning - what do students and teachers need to do?
- ✓ What are the skills required and the challenges faced by a 22nd Century learner?

### Delivered via:

- ✓ Downloadable training materials
- ✓ An online classroom with a participant forum mediated by the Course Tutor.
