What Works?  
RRP £18.99

A growing number of schools in the UK and overseas are developing their practice as Thinking Schools. This event is an opportunity to learn more about the evidence-base underpinning this whole-school approach, the pedagogical tools and strategies used to enhance students' metacognition and the impact on pupil learning and achievement.

## Key Speakers

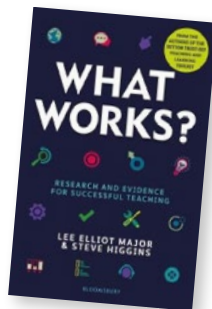

### Dr David Walters

University of Exeter who will share his research into the remarkable impact on Progress and Achievement amongst Thinking Schools.

- **Stephanie Kidd**, Headteacher of Beechwood Primary School, Runcorn. Stephanie will describe how Beechwood, one of the first schools in the country to become an accredited Thinking School, adopted and developed the approach and what impact it's had.
- **Ged Murphy**, former Headteacher of Broughton Hall High School, another early adopter and Exeter University accredited Thinking School. Ged currently provides expertise and support to schools across Merseyside. He will speak on the Thinking Schools approach in the context of the new OFSTED framework.

## Extras...
